Gould Body & Paint is a family owned, state of the art, collision repair facility in Crawfordsville, IN. Brian and Heidi Myers, Owners

Keeping the Community Aligned for over 40 years

Russell Family Chiropractic has operated on the premise of keeping each community member aligned and healthy for 43 years. Dr. Larry Russell started the practice in 1978 when he was 23 years old. He was the first chiropractor in his family as his mother helped him decide on a career path that led him in this direction. Dr. Russell attended Indiana State University and went on to graduate from Logan College of Chiropractic in St. Louis, Mo. with a bachelor's in human biology and a doctorate of chiropractic. Family has always been important to Dr. Russell, so he knew he wanted a career where he could help keep families healthy and happy, while raising one of his own. His practice started out of a small office in Rockville, Indiana with the goal of helping every person who walked in the door.

After 14 years serving the community of Rockville and surrounding areas, Dr. Russell decided to expand his territory to Crawfordsville, Indiana. It was there the business began to truly flourish. Crawfordsville was originally intended to be the satellite or "back up" office. Little did Dr. Russell know, this office became the main location and has been for over 25 years. This was a time before social media, so "word of mouth" was the best way to let people know he was there to assist them with their pain and mis-alignments. Today, Russell Family Chiropractic is open in Rockville on Tuesdays and Crawfordsville Monday through Friday.

Dr. Russell is no longer the only chiropractor aligning the community of Crawfordsville at Russell Family Chiropractic. His son, Dr. Ryan Russell, attended the same chiropractic school and works alongside his father. Dr. Ryan Russell received his bachelor's degree from Depauw University in Greencastle, IN and attended Logan College of Chiropractic where he graduated in 2015. It is safe to say Dr. Larry Russell's dream of a family oriented business has come true. Dr. Ryan currently has two sons and a daughter on the way. Maybe there will be another Dr. Russell to continue serving our great community in the years to come.

The American Legion Post 72 celebrates over 100 years!

The post, located in Crawfordsville, applied for a charter in 1919 which took until October 1, 1920 to obtain. The organization as a whole traces its roots to March 15-17, 1919 in Paris, France in the aftermath of World War I. The American Legion was federally chartered on September 16, 1919 and quickly became an influential force at the national, state and local levels, dedicated to service to veterans, strong national defense, youth and patriotism.

A year after it was formed, The American Legion had chartered more than 5,400 local posts that continue to operate today. Since then it has grown to more than 13,000 posts around the world and more than 2.2

million wartime-veteran members. Throughout its first century, The American Legion built a legacy on such accomplishments as leading the way to create U.S. Flag Code, helping start the Veterans Administration, drafting and getting passed the Servicemen's Readjustment Act of 1944 (the GI Bill) which transformed America in the second half of the 20th century, and helping veterans receive benefits for healthcare conditions based on their honorable service including acceptance of Agent Orange exposure as service-connected. Today, The American Legion has nearly 3,000 accredited service officers worldwide who assist veterans with their benefits

claims and other concerns.

Post 72, was named after Byron Cox (the first Montgomery County boy to die in WWI). Please check into eligibility to the The American Legion, American Legion Auxillary and the Sons of The American Legion. Eligibility dates December 7, 1941 to the sanction of hostilities as determined by (April 6 1917 through November 11, 1918) the US Government.. Among those whose lives have been touched by Post 72 are:

- Operation Toy Box
- Animal Welfare League
- Veterans and Soldiers in Need
- American Legion Boys State

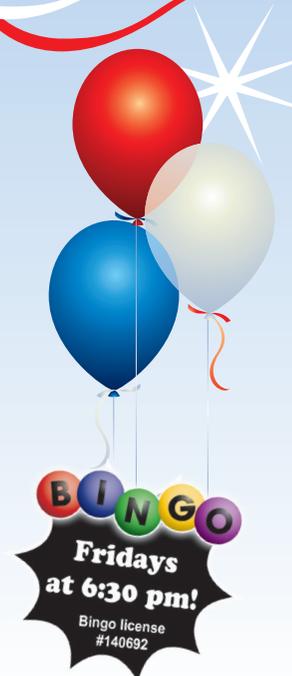

- American Legion Baseball
- Montgomery County Boys & Girls Club
- Salvation Army
- American Legion Emergency Fund
- Montgomery County Sheriff
- Crawfordsville Police and Fire Departments
- Montgomery County Crisis Shelter
- Donate to local baseball and softball programs
- Scholarships to all three county schools
- and many more!

HUNT & SON

Walter Hunt started in the funeral business around 1900. He moved to Crawfordsville in 1905 with a downtown storefront location. After many years at that location he purchased 107 North Grant Avenue in 1924. We have been located here since that time.

Robert F. Hunt was licensed as a funeral director in 1936 and went to work with his father. He left the business to serve in the US Navy during WWII.

Upon returning he came back to work at the funeral home. He was very active in the community serving on the school board, helping start the professional ambulance service, and as a police commissioner. He was married to Cora Nichols, they

had three children Bill, Roberta, and Thomas.

Thomas N. Hunt entered the business in 1967 after serving in the US Navy. He has been active in the community serving on many boards including over 20 years of service on the Crawfordsville Parks Department Board.

Tom's sons David and Rob have come to work in the business. Both continue to take pride in the family's history of service to the community.

We continually look for new ways to serve the families who choose to use our services.

We have gone from horse drawn hearses to modern funeral coaches, yet our main focus is the families.

NAPA Auto Parts

In 1925, a group of independent auto parts sellers met in Detroit to form the National Automotive Parts Association. Their mission was simple: improve the distribution of auto parts to serve the people and businesses who increasingly relied on cars and trucks for their transportation needs.

NAPA stores and warehouses, which were owned by a variety of member companies at the time, quickly became the go-to sources for parts. Carlyle Fraser, founder of Genuine Parts Company, served as a key NAPA contributor in its early years.

Over the years, Genuine Parts began to acquire the other NAPA member companies, and in 2012 became the last remaining member of NAPA, a brand with a reputation for quality parts, rapid availability, and knowledgeable people.

Today, NAPA-branded stores and AutoCare Centers continue to serve auto service professionals, do-it-yourselfers and everyday drivers with quality parts and supplies to keep cars, trucks, and equipment performing safely and efficiently.

In the U.S., more than 500,000 part numbers are distributed across 57 distribution centers, 6,000 NAPA AUTO PARTS stores, and more than 16,000 NAPA AutoCare and AutoCare Collision Centers nationwide.

Froedge's Inc. celebrates milestone anniversary

Froedge's Inc. has been committed to serving Montgomery and surrounding counties for the past 75 years. Started by Harold and Mary Ellen Froedge in 1946, Froedges has built upon their reputation as a community leader in customer service for their vehicle repair shop and their 24 hour towing and recovery. In 1980 Loyal Bell who at the time was one of Froedge's drivers and technicians took over as owner and never looked back.

From 1980 to 2021 Froedge's and the Bells have been awarded several titles and national awards. Loyal himself was the president of the Indiana towing and wrecker association from 1991-1993, 2012 his wife Diana was awarded the woman of the year by the professional women of Crawfordsville. And in 2016 Loyal was nominat-

ed and awarded the prestigious Towman award. Presented by American Towman, the national award is given to towers in honor of their dedication to the towns they serve. Individuals are nominated for the award by local police and fire chiefs.

Froedge's has grown over the years, increasing staff almost every year. They now have 11 members of their team including another local high school student in the Tri VO program. The last 75 years Froedge's has always believed in one thing, being a dedicated local business who puts the customer first, making them apart of their family. Loyal and Diana Bell are proud of their dedicated staff and look forward to continue serving the local communities and customers for another 75 years!

HHSB reflects on new move

In 2020 HHSB finalized their move to the new location on the south side of Crawfordsville from Ladoga, revitalizing the south side-shopping plaza into what's known today as HHSB Plaza.

HHSB has been serving the Montgomery county community for over 100 years originally known as Linden State Bank. The bank was founded as a Community Bank with the purpose of supporting agriculture, local commerce and the citizens of Linden and Montgomery County. On January 1, 1920 the Farmers State Bank in New Ross, Indiana was organized as a Community Bank. As the name implies, it was also founded with the purpose of supporting agriculture while serving the citizens of New Ross and surrounding communities. In order to increase efficiency, reduce operating costs, and better serve our communities, Linden State Bank and Farmers

State Bank merged on April 17, 2009 and became Hoosier Heartland State Bank. Today, Hoosier Heartland State Bank has 7 branches in West Central Indiana.

The new HHSB Plaza serves as the banks central hub and holds the operations center, the success center which is where they hold their training and meeting facility and the Hoosier Heartland wealth management department. Hoosier heartland has built its reputation as being hands on in the community and always choosing to give back when they can. When reconstruction began on this new center they stayed local with many of their contractors. Bk Painting, Cole Plumbing, Fritz technical Service, Haley's, lock, Safe & Keys, Hard Hats and Hammers, Hobson Electric, Morgan Glass, & Paint, Myers Heating & Cooling, Price Excavating, Roeing Corporation, and Vanaco Signs.

Etter Ford reaches century mark

Etter Ford, owned by Jeff and Sandy Etter and family, turned 100 years old in 2020.

A staple of the city of Crawfordsville, the family business has focused on good customer experiences while supporting the community.

And the community has returned the favor, particularly in 2020 when the coronavirus (COVID-19) crisis first struck, shutting down small businesses and creating an uncertain future.

Jeff Etter's grandfather acquired the Ford dealership in New Market in 1920. The business has since become a family affair for the Eترز with Jeff Etter's father and joining before he purchased the company from them in 1979.

Now, 41 years later, the Eترز give all the credit to the community and overcoming car sales stereotypes with a friendly, supportive experience for their customers.

"It's something I grew up around and I just always felt like it's what I wanted to do; I hardly ever did anything other than this," Jeff Etter said. "The industry's kind of got a

reputation for people not wanting to go in. They don't like the experience. So trying to make the experience real pleasant and enjoyable it mostly what I like to see."

Jeff and Pam Etter's children, Lindsay and Kyler, also work for the Darlington Avenue business. Over the years, all members of the family have added to an extended network of customers and business partners, many of whom have become friends of the family.

"First impressions are real important. You want to make one but you really have to concentrate on maintaining a good experience and not getting complacent," Jeff Etter said. "We want people to be as excited (to be here) as they were when they came to buy their first car.

"The highlights are when somebody gets excited about upgrading their transportation and you feel like you've really helped them out," he added.

The Eترز now look to be in business for another 100 years.

We're not #1... You Are! Stop by to see us today!

Jeep CHRYSLER DODGE RAM 1765 S. State Rd. 231, Crawfordsville, IN • 765.362.1600

Celebrating 20 years of serving Montgomery County

The York family purchased their second dealership in September of 2000 here in downtown Crawfordsville. Bob York and his two sons Nick and Rob started growing their family business in Greencastle before venturing north to for a second location this time a Chrysler Jeep Ram location. It only took a few years before they family needed to move from the downtown location to the south side of town for more space for their ever-growing inventory.

Although they have only been in Montgomery County now 20 years, they have made a huge impact in the community supporting local high school academics and sports, the 4H fair, and numerous community events. Their Motto of "We're not number 1, you are" rings true from the York family all the way though every member of their team, that's what has made them successful.

SUPERIOR MOVING & STORAGE

In June of 1962 Delbert "Deb" Cedars opened up shop on the east side of Montgomery County with Superior moving and Storage. 59 years later you can still find him located at 3580 E. State Road 32.

Deb and Noreen Cedars have traveled most of North America moving local montgomery county residents to and from one location to another. Worked exclusively with local businesses and even Wabash College during this time. The franchise name of Red Ball may have changed back in 2018 to National Van lines, but the service you expect will never. Even at 91 years old Deb Cedars will always be apart of his moving company, helping load or unload, folding moving blankets, breaking down boxes. He may have that tough look about him, but hes a true asset to the community. Deb and Noreen love giving back especialy to the AWL, or to their church, he has even donated trucks, time and storage to numerous disaster situations throughout the years.

JOE CROSBY & CHUCK DIXON, PRESIDENT/CEO

Tri-County Bank & Trust

Congratulations to retired Director Joe Crosby who was recently awarded the Sagamore of the Wabash by Gov. Eric Holcomb. The Sagamore of the Wabash is the highest honor bestowed, a tribute usually given to those who have rendered a distinguished service to the State or the Governor. Among those who have received the Sagamore have been astronauts, presidents, ambassadors, artists, musicians, politicians, and ordinary citizens who have contributed greatly to our Hoosier heritage.

Governor Holcomb noted Joe's many years of service to the community, State of Indiana, and Tri-County Bank. Joe received this honor at our 2021 directors meeting by retired Indiana Secretary of State Connie Lawson.

Congratulations Joe for all you have done and continue to do for us!
